Maturity Level	Descrizione/Description
2	At this level, the service provider has the capability to manage the delivery and performance of the service according to written policies (including objectives). The service provider also has evidence to show that personnel have the expertise, are trained, and/or are capable of following written procedures to perform the service. The service discipline reflected by Maturity Level 2 helps to ensure that service practices are repeatable, even during times of stress. When these practices are in place, their execution will be performed and managed according to their documented plans
